Jasper Dental Associates Office Guidelines

Thank you for taking the time to fill out this account information form. The following guidelines are intended to help meet the needs of all our patients.

When you make an appointment, that time and procedure is carefully planned to meet your individual needs. Please do not reschedule your appointment unless it is absolutely necessary, for it is often difficult to schedule someone else in a time that was reserved for you. If you are not able to keep an appointment, please give us as much notice as possible. If less than 24 hours is given, we reserve the right to charge you for the missed appointment time.

We are always happy to answer any questions you may have. You should be kept informed as to what treatment is needed and what it will cost. (All fees are due at the time treatment is performed unless other arrangements have been approved in advance.) All outstanding account balances over 60 days will bear a charge of 1 1/2% per month (18% per year) from the date the fees are charged until they are paid.

For your convenience, we will gladly file dental insurance claims for you. We will allow you to assign the insurance payment to our office provided we receive the following from you:

- 1) Copy of your insurance card and photo I.D.
- 2) The booklet or literature provided by your insurance company that tells what benefits you have.
- 3) Your signature on file that assigns benefits to our office.

It is our office policy to bill your insurance carrier as a benefit to you, although YOU are responsible for the entire balance. Once the carrier is billed, we will set aside that portion of the balance estimated to be paid by your insurance carrier for 60 days. IF YOUR CARRIER DOES NOT REMIT PAYMENT WITHIN 60 DAYS, THE BALANCE WILL BE DUE FROM YOU. WHEN INSURANCE PAYMENT IS RECEIVED WE WILL REFUND THE CREDIT AMOUNT IF ANY, TO YOU.

The undersigned has read and understands the above and hereby authorizes the Doctor to perform any procedure that is deemed necessary in the best interest of the patient's health.
